Drawing Exercise #2

A SASPY SIPPER

The Sking really enjoys a good saspy* at the end of a long day, but it must be served artistically or he gets his feelings hurt. Your assignment is to design his drink-top by copying at least five of the items below (you can make them bigger or smaller). Color!

* A saspy is a drink consisting of soda water and sauerkraut.

EXTRA CREDIT

Add five more items of your own design to the mix!
