THE ART OF SILLINESS

An Online Workshop with Carla Sonheim • Session 5 • Saturday, 2/18/12

IT'S **SILLY** SATURDAY!

... and time for a Silly Mindmap!

Fill in the circles below with the first words (or images) that pop into your head. Start from the middle circle (SILLY!) and move out from there, working as quickly as you can to fill all the circles. Don't worry if your thoughts seem silly, just write! (Or draw! Or scribble!)

Extra Credit:
Pick a word or
an idea and
illustrate it!
