## Drawing Exercise #6

# LINE PLAY

Chances are there are several bicycle one-liners from worksheet 4.3 that you didn't like that much. But that's okay, because you can often "save" a mediocre drawing by adding a little flair to the lines!

For today's assignment you can go back to an old drawing, or you can draw something else in the space above.

Add weight to some of the lines here and there, round corners, and fill in as desired.

**Extra Credit:**  
Get a very thin pen and add even more details!
