# THE ART OF SILLINESS

An Online Workshop with Carla Sonheim • Session 4 • Wednesday, 5/4/11

## Drawing Exercise #1

# STACKED!

**Turtle Power!** Your first Silly Assignment is to draw two "stacks" of turtles in the columns below using your permanent marker (no erasing!). Do the left column first using your "wrong" hand. Don't worry that your lines are shaky; just do your best to copy 3-5 turtles. Now switch to your "right" hand and draw 3-5 more turtles in the column on the right. (Again, please don't worry about your results for either column; just LOOK... and breathe!)

Use your **NON-DOMINANT HAND** in this column.

Use your **DOMINANT HAND** in this column.

Fleep words are nonsense words spoken in the Land of Fleep. Each session the Squeen adds a few more words to her flist. Finish the words however you like and post online!
