Worksheet #

4.23

"I think an artist has always to be out of step with his time."

- ORSON WELLES

THE ART OF SILLINESS

An Online Workshop with Carla Sonheim • Session 4 • Thursday, 5/26/11

STEP 1

Quick! Pick two numbers between 1 and 6, and write them in the circles below.

STEP 2

- 1. cat
- dog
- flamingo
- mouse
- 5. cow
- 6. hippo
- sunglasses
- 2. bow tie
- 3. pants
- 4. shoes
- 5. wig
- 6. necklace

STEP 3

You now have an animal and "something to wear" to work with. Use this box to write down several ideas of how to to COMBINE your two elements together in a drawing. Think of at least two different ways you can combine the imagery.

Try to think beyond just putting sunglasses on a cat, for example. How about cat-shaped sunglasses?

Find your first number in the first column and write it down. Do the same with the second number/column.

STEP 4

Illustrate your favorite solution here!
