Drawing Exercise #3

VOCAB LAB

Write dictionary definitions for the Fleeps, below. They don't have to make sense... just write down the first thing that pops into your mind! You can also use the back of your worksheet to work out ideas.

Now post your definitions online!

This is a photo of a crack in a sidewalk. Look at the image while you slowly turn your paper around 180 degrees. Did you see something? A monster, an animal, or a face?

Now "finish" what is already started.
