SILLINESS!

An Online Workshop with Carla Sonheim

The end of a long week!

We're silly... in a good way!

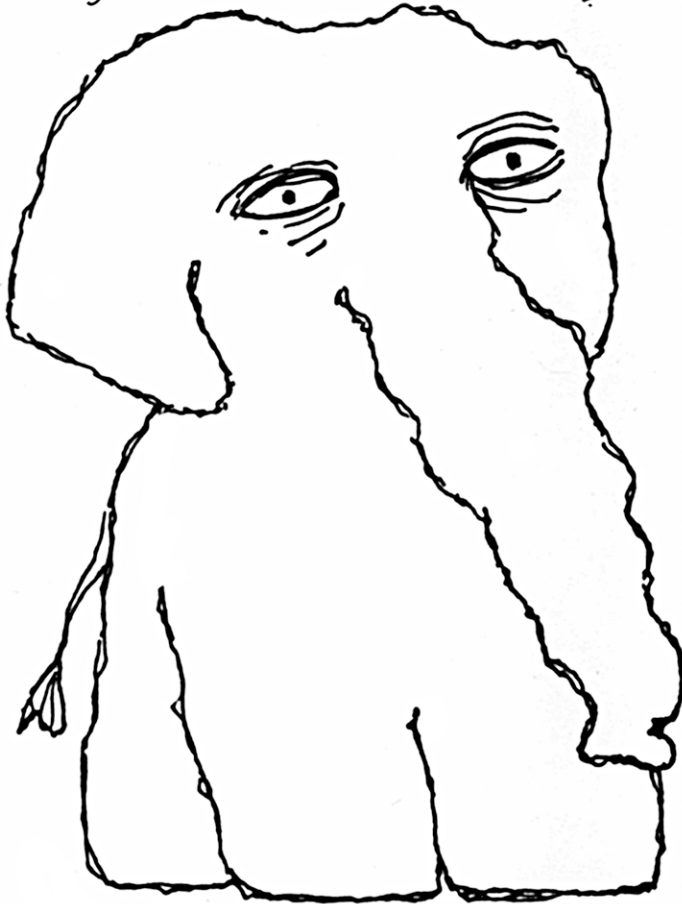

Drawing Exercise #18

DOODLE IT!

(When in doubt, doodle it!)

Sometimes it's hard to know what to draw.

That's when doodling can come in handy.

(It gets your hand moving.)

("Doodle" the inside and outside of the elephant.)

Put on your favorite music, and just go!

EXTRA CREDIT Pay attention to your own particular doodle "vocabulary," and begin to incorporate those elements into other work.
