

the art of SILLINESS!

An Online Workshop with Carla Sonheim

Because "silly" is the new black.

Drawing Exercise #4

By PROCLAMATION of the Squeen,

TAKE OFF YOUR GLASSES

... and design her a brand new HAT using any combination of the elements on this page.

Draw them as best you can with your reading glasses (or regular glasses) OFF. Use a separate piece of paper.

If you don't wear glasses,

SQUINT YOUR EYES

Drawing this way will feel slightly uncomfortable, perhaps, but we must do what the Squeen Bee says.

EXTRA CREDIT

Draw or paint a portrait of the Squeen in her fabulous new hat.
